## Help us reach our three year goal of Girls & Boys Swim Teams at SWHS!

The Friends of South Windsor Swimming is a community group established to support swimming at South Windsor High School. Our objective is to raise funds to cover the cost of varsity girls and boys swim teams at South Windsor High School for three years beginning with the 2010-2011 school year. These teams will enable students to benefit from participating in interscholastic swimming and diving.

For nearly 20 years, South Windsor High School Swimmers have been restricted to swimming at other high schools as a "team of one" and SWHS was one of only two towns in its 21 town District Reference Group (DRG) that did not provide varsity swimming & diving as part of its athletic program. On February 9, 2010, the Board of Education voted to establish Boys & Girls Varsity Swimming and Diving Teams at SWHS with the stipulation that it be privately funded for the first three years. The new teams have each completed their first season and we look forward to many more years of success!

We are reaching out to you, the South Windsor community, for help. Please consider donating to the Friends of South Windsor Swimming. We are a fiduciary client of the South Windsor Community Foundation which is a qualified 501(c)3 charitable organization. All donations are tax deductible as allowed by law. Our three-year fundraising goal is \$90,000 and we need your help to achieve our goal.
