## Longest Dinner Table 2010

“Road Trip” Wins Best Overall Table and takes possession of the Golden Fork

The South Windsor Public Education Fund Committee hosted the fourth annual Longest Dinner Table community event on September 25<sup>th</sup>. The festivities included table judging, thanks to Ray Favreau and his SW Recreation Department staff, to determine the Most Elegant, Most Creative, Most Community Spirit and Best Overall tables.

The evening's activities raised \$13,500 for the South Windsor Public Education Fund. In attendance were roughly 500 dinner guests who planned, decorated, and enjoyed themselves. As always there was a good deal of dancing to the tunes of *Locomotion*.

The members of the SWPEF are sincerely grateful to the area businesses who donated to the silent auction and ad booklet. We are also thankful for the area sponsors, Rockville Bank and South Windsor Rotary, as well as all of the individual donors for 2010.

This year's event took place in Rockville Bank Park located at the Promenade Shops at Evergreen Walk and the weather couldn't have been more perfect. Our honorees of the evening were Teacher of the Year: **Sarah Malinoski** from Timothy Edwards Middle School and Support Staff Employee of the Year: **Cindi Yakobian**. Our mission is to raise money for our public schools allowing educators to apply for grants to fund special programs and projects.

The SWPEF committee applauds our South Windsor Community for its support.

***Save the date for 2011! SEPTEMBER 24!!***
